

FAREWELL LETTER

Dear Friends, Family & Patrons

Thank you, Thank you, Thank you!

As many of you know, it was a lifelong dream to open a sports facility for the young people in the community. I was able to partner with some very good people who saw the vision and jumped in with both feet to bring it to fruition. In 2009, we did it and the Sports Booth was birthed. We touched many lives every day and we simply had a ball doing it. Now it is time for the next chapter of my life.

I will miss all of you and pray that you all continue to be blessed. As for me BIG TIME HOOPS which was very successful at the Sports Booth, will be hosting events all over the country. Check out our website on the web: www.bigtimehoops.net

In addition to BIG TIME HOOPS, I will continue to focus on youth development with my Hoop Booth and Lady Hoop Booth programs. With that work we will be looking towards one day opening a Hoop Booth Athletic Center in the future.

The man who's determined to make his world better. Who's willing to learn and to lead The man who keeps trying and doing his best . Is the man who knows how to succeed.
